§ 1815.100 Policy.

The Community Development Financial Institution Fund's policy is to ensure that environmental factors and concerns are given appropriate consideration in decisions and actions by the Fund and to reduce any possible adverse effects of Fund decisions and actions upon the quality of the human environment.

§ 1815.101 Purpose.

This part supplements Council on Environmental Quality regulations for implementing the procedural provisions of the National Environmental Policy Act of 1969, as amended, and describe how the Community Development Financial Institutions Fund intends to consider environmental factors and concerns in the Fund's decisionmaking process. This part applies only to the Fund and not to any other bureau, office or organization within the Department of the Treasury.

§ 1815.102 Definitions.

(a) For the purpose of this part:

(1) *Act* means the Community Development Banking and Financial Institutions Act (12 U.S.C. 4701 et seq.);

(2) *Application* means a request for assistance from the Fund submitted pursuant to parts 1805 or 1806 of this chapter;

(3) *CEQ regulations* means the regulations for implementing the procedural provisions of the National Environmental Policy Act of 1969 as promulgated by the Council on Environmental Quality, Executive Office of the President, appearing at 40 CFR parts 1500–1508 and to which this part is a supplement;

(4) *Comprehensive Business Plan* means a document submitted as part of an Application pursuant to part 1805 of this chapter which describes an organization's proposed process for offering products or services to a particular market, including organizational requirements needed to serve that market effectively;

(5) *Consumer Loans* means loans to one or more individuals for household, family or other personal expenditures;

12 CFR Ch. XVIII (1–1–08 Edition)

(6) *Decisionmaker* means the Director of the Fund, unless an appropriate delegation of authority has been made;

(7) *EIS* means an environmental impact statement as defined in 40 CFR 1508.11 of the CEQ regulations;

(8) *Fund* means the Community Development Financial Institutions Fund, established under section 104(a) of the Act (12 U.S.C. 4703(a));

(9) *NEPA* means the National Environmental Policy Act, as amended, 42 U.S.C. 4321–4335; and

(10) *Project* means all closely related actions relating to a specific site.

(b) Other terms used in this part are defined in 40 CFR part 1508 of the CEQ regulations.

§ 1815.103 Designation of responsible Fund official.

The Director of the Fund is the designated Fund official responsible for implementation and operation of the Fund's policies and procedures on environmental quality and control.

§ 1815.104 Specific responsibilities of the designated Fund official.

The designated Fund official shall:

(a) Coordinate the formulation and revision of Fund policies and procedures on matters pertaining to environmental quality and control;

(b) Establish and maintain working relationships with relevant government agencies (including Federal, state and local) concerned with environmental matters;

(c) Develop procedures within the Fund's planning and decisionmaking processes to ensure that environmental factors are properly considered in all proposals and decisions in accordance with this part;

(d) Develop, monitor, and review the Fund's implementation of standards, procedures, and working relationships for protection and enhancement of environmental quality and compliance with applicable laws and regulations;

(e) Monitor processes to ensure that the Fund's procedures regarding consideration of environmental quality are achieving their intended purposes;

(f) Advise the officers and employees of the Fund of technical and management requirements of environmental analysis, of appropriate expertise

available, and, with the assistance of the Department of the Treasury's Office of the General Counsel, of relevant legal developments;

(g) Monitor the consideration and documentation of the environmental aspects of Fund planning and decision-making processes by appropriate officers and employees of the Fund;

(h) Ensure that all environmental assessments and, where required, all EISs are prepared in accordance with the appropriate regulations adopted by the Council on Environmental Quality and the Fund;

(i) Ensure that, as required, a legislative EIS is submitted with all proposed legislation;

(j) Consolidate and transmit to appropriate parties the Fund's comments on EISs and other environmental reports prepared by other agencies;

(k) Acquire information and prepare appropriate reports on environmental matters required of the Fund; and

(l) Coordinate the Fund's efforts to make available to other parties information and advice on the Fund's policies for protecting and enhancing the quality of the environment.

§ 1815.105 Major decision points.

(a) The possible environmental effects of an Application, including any Comprehensive Business Plan, must be considered along with technical, economic, and other factors throughout the decisionmaking process. For most Fund actions there are two distinct stages in the decisionmaking process:

(1) Preliminary approval stage, at which point applications are selected for funding; and

(2) Final approval and funding stage.

(b) Environmental review shall be integrated into the decisionmaking process of the Fund as follows:

(1) During the preliminary approval stage, the designated Fund official shall determine whether the Application proposes actions which are categorically excluded, or normally require an environmental assessment or an EIS;

(2) If the designated Fund official determines that the Application proposes actions which normally require an environmental assessment or an EIS, the applicant shall be informed that the

final approval and funding, in addition to any other conditions, is contingent upon:

(i) The applicant supplying to the Fund all information necessary for the Fund to perform or have performed any environmental review required by this part;

(ii) The applicant not using any Fund financial assistance to perform any of such proposed actions in the Application that affect the physical environment until Fund approval is received; and

(iii) The outcome of the environmental review required by this part;

(3) The Fund will perform or have performed the environmental reviews required by this part;

(4) A preliminary approval of an Application may be withdrawn or further conditions may be imposed based upon the outcome of an environmental review required by this part; and

(5) If the designated Fund official determines that the Application proposes actions that require an environmental assessment or an EIS, the environmental assessment and/or EIS must be completed and circulated prior to the use of Federal funds for any activity that triggers the need for an environmental assessment and/or EIS.

§ 1815.106 Supplemental environmental review.

(a) The designated Fund official shall determine whether the proposed actions in the Application are sufficiently definite to perform a meaningful environmental review during the preliminary approval stage.

(b) If the designated Fund official determines that the Application is sufficiently definite to perform a meaningful environmental review during the preliminary approval stage, no conditions for supplemental environmental review shall be imposed.

(c) If the designated Fund official determines that the Application, or any part of the Application, is not sufficiently definite to complete a meaningful environmental review during the preliminary approval stage, the Fund shall require a supplemental environmental review prior to the taking of any action directly using Fund financial assistance that is not categorically
